### CHAPTER 2 by Jesse Sanders

If i had that much money i'd retire then i'd go live in a mansion in Scotland. I surgically have my organs replaced with robotic organs so that i could live longer. I would buy a castle and live there then for fuel to fire up the fire place i'd burn my money...i'd just sit and eat stuff on my throne then i'd get super fat until i couldn't move...haha

### CHAPTER 3 by Tanya287

I would get a life time supply of food, a personal trainer, a trailer, a Hoverboard and give the rest of the money to my family.
